HOW CUSTOM CERTIFICATES WORK

Give custom collections of gourmet items that your recipients will love choosing from. Add your brand's logo, a personal message, and more to give your gift a personal touch.

COOLER CUSTOMIZATION

Print a gift message and your logo directly onto your recipient's gift cooler.

REASON FOR GIFTING

Name your custom certificate so your recipient understands your motivation for gifting.

RECIPIENT NAME

Give us the list of your lucky recipients, and we'll make sure each gift is addressed accordingly.

YOUR COMPANY LOGO

Print your logo on your custom certificate to keep your brand top of mind and on full display.

FLEXIBLE SELECTIONS

Each certificate offers a unique selection of gourmet items to choose from. Plus, customize your own selections with large-scale orders.

HOW THEY REDEEM THEIR GIFT

1 | PHONE

Recipients provide their redemption code to any of our world-class sales agents - they'll place the order in minutes.

2 | MAIL

Recipients fill out an order form, stamp it, then drop it into their mailbox. We'll process the order as soon as it arrives.

3 | ONLINE

Cut out the middleman entirely... Recipients visit our website and enter their redemption code to place their order anytime.

\$ PAY WHAT YOU WANT

Find a level to match your budget or create your own. Standard shipping and handling is included in the cost of certificates. Ask about our pay-on-redemption options.

PROVEN RESULTS

When one of the country's largest manufacturing companies wanted to recognize and reward employees for achieving 1 million incident-free hours, they asked Omaha Steaks for help.

Our Safety Award, which is part of our custom certificate collection, was the perfect way for the manufacturer to express their gratitude. The certificates were shipped in bulk to their location and were distributed during a celebratory event.
